Please be advised that the Assessor is, by law, presumed to be correct and that you must prove that the assessed valuation is not the true and fair market value as of January 1, OF THE ASSESSMENT YEAR (RCW 84.40.030). The Board of Equalization will be reviewing sales prior to January 1, of the assessment year when the assessment was set by the Assessor. If you do not know your assessment year, please call this office or the Assessor's office.
